

USB 3.0 AM TO BM CABLE

DATA-5GBPS

(P/N: TA-NP62 SERIES)

Techaagam's USB Type-A male to Type-B male cables support USB data rates up to 5 Gbps and up to 4.5 watts of power for USB charging. The cables are compatible with previous USB standards. In addition, they deliver up to 5 V and up to 900 mA of power to the connected USB peripheral device. These engineered USB cables are highly flexible and feature gold-plated contacts. The USB-A-B Series provides a reliable, high-performance USB 5 Gbps data connection between USB-A hosts and USB-B peripheral devices
